BACK TO AFRICA MOVEMENT SOLUTION TO RACE PROBLEM

INTEGRATION IS GENOCIDE OF ALL RACES

Zionist Mass Media Stifled Voice of Grass Roots Negro Totally Opposed to Integration While Giving Free Reign to Black Militants Representing Fraction of Negro Community

DOES THE WHITE RACE DESERVE TO DIE?

By LAURENCE C. SMITH

The answer is "yes" — by default.

Whether or not we DESERVE extinction is really beside the point. The bald FACT is that the END of the White race will come VERY soon, so soon that like the fall of Cuba, you will wonder what and how it happened.

"Why didn't somebody tell us about this?" will be the lament, because when the White race is eliminated it will be FOREVER. Our object, therefore, is to TELL you, NOT to determine whether or not we DESERVE to die. That is for YOU to decide. Certain it is, there are those who have determined the world would be better off without the white race, otherwise there would be no problem. But I refuse to sit on the sidelines of this horrible spectacle. I refuse to watch the White race commit GENOCIDE without lifting a pen AND a voice in protest.

It is not that we haven't been warned. Three years ago in the June 28 issue of U.S. News and World Report, the genetic scientist, Dr. Stanley M. Garn, presented an imposing array of statistics on interracial marriages and wrote concerning the prediction that ALL Americans someday will be khaki-colored; "now, if the parental populations continue to expand at their present rate, and if the rate of admixture continues as at present, then I would expect that we could get up at 8 o'clock one morning 150 years from now and not notice anything greatly different in the coloration of people walking around."

There can be no question that the "rate of admixture" has been stepped up tremendously by the news media propaganda since this was written. In that time 'til now we have moved from a society that scorned "mongrelization" to the extent that many states forbade "mixed marriages" by law to a "new concept" society in which the Supreme Court has ruled "segregation" is UNLAWFUL.

So marked has been the acceleration of the "admixture" that only last year a Department of Justice official gleefully stated that "integration" would be virtually completed by the year 2,000, barely thirty years hence. This simply means that your children born of white parentage in the NEXT decade wishing to seek a mate of the White race, will find it virtually impossible, not just because there won't be many to choose from but the current brainwashing on integration makes such an idea socially taboo, and the Supreme Court makes separation of the races illegal. For the first time in 7,000 years of recorded history, integration of the races has been FORCED on a society by its ruling powers.

Defying God's Law

This, of course, is in defiance of God's laws of the separation of the species. Regardless of your religious convictions NOWHERE in nature is there to be found a normal mixing of the species or even subspecies or variety.

Abram ☆ U.S. Representative on UN Human Rights Commission, Pres. American Jewish Comm., member U.S. Subcommittee for Protection of Minorities, once stated: "But race is physical and nothing more." Sol M. Linowitz ☆ U.S. Ambassador to Organization of American States, Board Chairman of arch anti-

American Xerox Corporation, whose latest TV film "Black America," is violently anti-white. William S. Paley ☆ one worlder, Board Chairman of CBS-TV, which pollutes Christian homes with sex, crime, and propaganda. Adam Yarmolinsky, Deputy Asst. Sec. of Defense for International Affairs who in the face of protests from both black and white, stated: "I don't give a damn whether they want to be integrated or not: they're going to be integrated."

Even Webster recognized this for he defines species as "a group of animals or plants which possess in common one or more distinctive characters, and do or may interbreed and reproduce their characters in their offspring." The Bluebirds may fly with the Robins and even roost with them, feed with them, but they NEVER intermarry. The most heinous of ALL sins according to the Bible is the mixing of the seed of God's children, and in Deuteronomy, chapter 7, concerning the conquered nations that have opposed His will, the Lord commands; "neither shalt thou make marriages with them; thy daughters thou shalt not give unto his son, nor his daughter shalt thou take unto thy son. . . ." "for the Lord, thy God, is a jealous God." (Deut. 6-15) and he explains why, "For they will turn away thy son from following Me that they may serve other gods." The Biblical commands are numerous and the curse of this sin is "visited upon thy children and thy Children's children." No other curse extends to future generations.

Foibles of Equalitarian Utopia

Yet our "equalitarians" in power say this is the only way to Utopia. With the mongrelization of the white and black races we will

"The wisest of my race understand that agitation of questions of social equality is the extremist folly, and that progress in the enjoyment of all the privileges that will come to us must be the result of severe and constant struggle rather than of artificial forcing . . . In all things that are purely social we can be separate as the fingers, yet one as the hand in all things essential to mutual progress."

BOOKER T. WASHINGTON,
Address Before Atlanta Exposition 1895

have achieved complete "equality." Everyone will be alike except for one little factor which they conveniently overlook. With the white race eliminated, the world is then fairly evenly divided between the black and yellow races. But the yellow race has not been consulted or even taken into consideration in this project of Genocide and there is no indication that peaceful co-existence of the black, mongrel and yellow races will be successful. A well known character in bygone days, Franklin D. Roosevelt, writing in an article on the Far East commented; "Anyone who has traveled in the Far East knows that the mingling of Asiatic blood with European or American blood produces the most unfortunate results. There are throughout the East many thousands of so-called Eurasians, men and women and children partly of Asiatic blood and partly of European or American blood. These Eurasians are, as a common thing, looked down upon and despised by both the Europeans and Americans who reside there and by the pure Asiatics who live there."

Times and conditions have not changed today. Last year an avaricious school board in Boston seeking to squeeze every cent out of federal funds for education for an "integrated" School, classified all of the Chinese children in the school as "white caucasians" which increased the number to be matched by the black race. The unctious school board soon discovered that there was a very distinct difference between the Chinese and the whites, and the Chinese parents made no bones about setting the school board members straight.

One-world integrationists have DECREED that we are to be integrated whether we like it or not. They KNOW this is GENOCIDE

(Continued on Page 2, Column 1)

Does White Race Deserve to No. 2

(Continued from Page 1, Column 3)

because among many recognized authorities on the Race problem is Colonel Earnest Sevier Cox who devoted his life to studying and reporting from FIRST HAND findings, the impact of the black race upon the white race throughout all recorded history. The book entitled, "White America" came out in 1923 tracing the migrations of the white Caucasian race about the world. He noted the civilizations it had established and likewise discovered that EVERY ONE of these civilizations which have fallen, became decadent and met its downfall as a result of integration. There is nothing to indicate that the U.S.A., the youngest and most powerful of all white civilizations, still barely in its "creeping" stage, only two centuries old, will avoid the same fate. So, it is certainly with "malice aforethought" that the integrationists are driving forward even in the face of WORLD OPINION.

The United Nations Forbids Genocide

On Dec. 9, 1948, the United Nations passed UNANIMOUSLY (56-0) the GENOCIDE convention which was signed on behalf of the United States Dec. 11, 1948. On June 14, 1949 President Harry Truman sent a message to the Senate asking for ratification of this Convention prohibiting GENOCIDE. There it was referred to the Committee on Foreign Relations presided over by Senator William Fulbright, and it has remained there since.

Let us take a look at this terrible crime of Genocide of which the world disapproves. A world dominated by peoples of the black and yellow races whose members outnumber the white people by a proclaimed ratio of 6-1, which, by now, is closer to a ratio of 7-1. Art. 2 of the "International Convention on the Prevention and Punishment of the Crime of Genocide" reads—

"In the present convention, genocide means any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group, as such;

- (a) killing members of the group;
- (b) causing serious bodily or mental harm to members of the group;
- (c) deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part;
- (d) imposing measures intended to prevent births within the group;
- (e) forcibly transferring children of the group to another group."

The majority of the citizens of the United States of America comprise a "national" U.S.A., "racial" white Caucasian, and "religious" group — "this is a Christian Nation" early Supreme Court ruling.

Every act specified above has been violated by members and LEADERS of our OWN race. Members of our "group" are being killed EVERY day all over the world where our people have been engaged in 45 United Nations wars since our Congress forced us into membership in the United Nations. White American "political prisoners" have been killed in our mental institutions and everyone of us are CONSTANTLY being brainwashed by our own news media. Our white Congress has inflicted upon us Civil Rights legislation requiring integration of our entire society from the cradle to the grave which IS bringing about the physical destruction of our group.

In response to my request the Senate Committee on Foreign Relations sent me a form report on the status of the Genocide Convention consisting of 2½ pages which concluded with the statement: "The Genocide Convention is still pending in Congress." In other words, our own WHITE REPRESENTATIVES led by Senator Fulbright (See Dan Smoot Report for June 3, 1968, "Fulbright and Communism") and President Johnson, the revolutionist, "I worked to bring about a profound but peaceful revolution" (see the "Profound Revolution" by Mary M. Davidson) have been holding this Convention in abeyance while they have quietly forced legislation through Congress bringing about our own GENOCIDE. Could any crime in history be more horrible?

Who Will and Can Save Us?

Hold on to your seats because this will

really throw you. The ONLY people who have made ANY move whatsoever, to stop this slaughter are none other than the Black Nationalists whom these very same politicians have been exploiting for years but from whom the Black people have NOW declared their independence in the Fourth of July meeting of C.O.R.E. at Columbus, Ohio. "We are not tied to any white political party." In fact this was a glorious Fourth of July for the entire black race. While most Americans were picnicing, watching the ball games, boating or golfing, the blacks were hard at work fighting for their FREEDOM from the shackles of the white man. Probably the most challenging call for independence came from Mohammed Ali (Cassius Clay) in his appearance on the Mike Douglas show over NBC. He said in effect, "We Black Muslims believe in the separation of the races. Just like a man and wife who are constantly bickering and fighting and just can't get along end up in the divorce court, so we, too, must seek separation. The last thing we want is marriage with ANY member of the white race. WE WANT NO PART OF INTEGRATION."

Mohammed Ali, however, is only one of MANY black leaders who through the years have called, nay BEGGED, to be separated from the white race. At the first of the year one of their great leaders with whom I have talked, spoke out in the Jan. 13 issue of the Saturday Evening Post in an article under the misleading title "America Will Burn." He is Daniel E. Watts, Editor of LIBERATOR magazine. The entire article is VERY revealing of the Afro-American mind. "And then there are, of course, the white 'liberals' devoted to 'Civil Rights.' What they have not understood is that WE in the Afro-American community HAVE NEVER ASKED FOR what they call 'Civil Rights.' NOT ONCE HAVE WE BEEN ALLOWED TO DECIDE WHAT WE WANT — approximately 250,000 Americans, 95 per cent white, are engaged in the INDUSTRY of 'Civil Rights.'"

Up until this publication, ONLY ONE WHITE MAN has publicly denounced INTEGRATION and Mr. Watt's magazine the "Liberator," is the ONLY publication in the entire country to run his article. He is W. H. Ferry, Vice-President of the Fund for the Republic and staff administrator of the Study of the Economic Order at the Center for the Study of Democratic Institutions in Santa Barbara, Calif. The article is entitled, "Farewell to Integration." He opens with the statement:

"Following on the general assent that the relationship between blacks and whites is the nation's chief domestic problem, the matter has become clouded with cliches." Among his noteworthy comments are: "The United States is a white man's country conducted by white customs and laws for white purposes.... Integration in the U.S. is a sentimental not a doctrinal idea. . . . racial integration in the U.S. is impossible If we in Whitetown had ever really wanted integration we would have rushed to achieve it. . . . Finally we shall have to learn how to run a separated society Since we cannot have integration we must have something."

As Chairman of the United States Constitution Council, I have repeatedly made demands of our Congressmen to be heard on this issue; to let us present the SEPARATIONIST viewpoint. For one full year I have been trying to get Senator McClellan's Committee on Government which has been holding hearings on the "cause of riots" to grant us a hearing. He is also from Arkansas. But I have been denied Freedom of Speech and ALL efforts to achieve publicity on this have been denied by the PRESS and national news media. Is it not odd that Official Washington and the national News Media REFUSE to present this ONLY TRUE solution to the Race Problem?

History of Our Race Problem

For some 300 years, ever since the black man was forcibly carried to our shores to work as a slave, his dream and his PLEA has been to return him to his Motherland, Africa. According to the Jan.-Feb. issue of African Opinion, "Liberia was founded by an earlier 'Back to Africa' movement in 1820 when 88 colonists left New York on the ship Elizabeth." The article continues: "To encourage return of our people and for bias to farmers, unmarried settlers received 10 acres of

farmland, plus one town lot, as a free gift. Married settlers received 25 acres and one town lot." As a farmer that is tempting enough for me but I could not qualify because the article explains, "Now none but those of African descent may become citizens of Liberia."

Let us take a look at the further development of the REPATRIATION or BACK TO AFRICA movement. Only forty years later, because the original BACK TO AFRICA movement was UNSUCCESSFUL, our nation became involved in that ugly Civil War of white man against white man all over the imported blacks. As a consequence, Abraham Lincoln issued his famous Emancipation Proclamation. The part which we never hear about reads; "I do hereby proclaim . . . THAT THE EFFORT TO COLONIZE PERSONS OF AFRICAN DESCENT, WITH THEIR CONSENT, UPON THE CONTINENT OR ELSEWHERE . . . WILL BE CONTINUED." On April 16, 1862 Congress passed Public Law No. 50 appropriating \$600,000.00 for the "migration and maintenance of those persons of African descent desiring to migrate." For some strange reason, the money was never used and was returned to the treasury marking probably the first time that Congress ever passed an appropriation that was not used. Last fall a group of AFRO-AMERICANS known as "CITIZENS FOR THE ENFORCEMENT OF PUBLIC LAW No. 50 located in Washington, D.C. demanded that these funds be made available to them so they could return to their homeland. They said: "There are many of us who wish NOT to become involved in the racial strife that is now prevalent We wish the opportunity to migrate."

"Garvey and Garveyism"

This is the title of a book recently published by Mrs. A. Jaques Garvey, widow of Marcus Garvey, one of the greatest leaders the black Race has ever produced. It was he who preached Black Nationalism and united the blacks in this country, and to them the U.S. is ONLY "this country"—into an enormous force which petitioned Congress to provide funds for their emigration to Africa. There were over 2½ MILLION signatures of black Americans on these petitions. Anyone having had ANY experience with petition campaigns whether for the nomination of individuals, the formation of a new party or the "impeachment of Earl Warren" (what happened to THAT one?) knows what a prodigious effort it is to get a matter of a few THOUSAND names on a petition. But this one contained 2½ MILLION signatures and a bill S 2231 was introduced by Senator Bilbo to provide for the repatriation of the black people. On April 24, 1939 the bill was presented to the Senate by Senator Bilbo and here is the official statement of the PEACE MOVEMENT OF ETHIOPIA whose officials led the way: "Five hundred of us went to Washington to hear this bill introduced to the U.S. Senate. Before we could get anything done Senator Bilbo passed to the Beyond. After that Senator Langer of North Dakota sponsored "Repatriation Bill S 759."

Where did it land? You guessed it — in the Senate Committee on Foreign Relations — Senator Fulbright presiding. Recent inquiry of this Committee by Representative Gene Snyder of Kentucky concerning the status of this bill brought forth the statement that there was no such bill pending before the committee.

Marcus Garvey was banished from this country and died in England but his body was exhumed and returned to his native Kingston, Jamaica where a memorial has been erected to him. But his successor, Mrs. M. L. Gordon, was also persecuted. She was charged with sedition and sent to jail for 2½ years where she died. Strange, that these people who merely want to go back home should be persecuted while their counterparts who are destroying our country, burning it, looting it and committing every crime known in the book and 87% of the crime in Washington D.C. are hailed as conquering heroes and awarded vast sums of money by OUR OWN CONGRESS.

On March 28 of this year, Mrs. Garvey wrote me:

"You should argue the point that it is useless to fight a civil war at home and one in (Continued on Page 4, Column 3)

INVISIBLE GOVERNMENT RUINED U.S.A.

UNELECTED TRAITORS RUIN NATION FROM BEHIND THE SCENES

Very few Americans really understand the system by which we have been ruled for the last 50 years. The old American Democracy is long since dead. We have been ruled by "Invisible Government" for a long time. This Invisible Government controls the mass media and has surrounded itself by such an impenetrable smoke screen that it cannot be seen. The fact that the Invisible Government must hide itself from the people is indicative of its character. It is so deeply sunk in villiany and depravity that it dare not expose any real part of itself to the eyes of the people. The Invisible Government has brought this nation to the edge of destruction. The Invisible Government is not only corrupt; it is incompetent to the point of near-insanity. It represents fractured and defective states of human consciousness.

The Invisible Government controls both of the major political parties. For that matter, it also controls the Communist Party. Presidential and other elections are fixed and rigged. They offer neither a choice nor an echo. But the Invisible Government does not merely rule the political roost. It also rules our economic life, the press, radio, television, literature, and education. It rules the Right Wing no less than the Left Wing. Its basic purpose is to make really significant political controversy impossible, to control all factions, to manage and rule all sectors of the public by supplying glib leaders who will say what the people want to hear, and do what the Invisible Government wishes to have done.

Some people have said that COMMON SENSE is a "Right Wing" paper. WE ARE NOT A RIGHT WING PAPER. Fully half of the Right Wing leaders in this country today are traitors. The only reason we ever fool around with the Right Wing at all is because it is the only thing we have. If you have an idiot child, you know that he does not amount to much; but since he is the only child you have, you make what you can of him. The American Right Wing has not won a significant political victory in thirty years. It is badly penetrated by traitors who DELIBERATELY LOSE political battles, who deliberately and wilfully lead millions of American patriots down to defeat and despair. This is the way "Right-Left" polarity works. Actually, the Right and the Left, like the Republican and Democratic parties, are both run by the same people. Of course there are a great many sincere patriots down in the ranks; but it is the precise purpose of these movements to deceive sincere people.

What Are the Earmarks Of the Right Wing Traitor?

The Right Wing traitor TALKS a good game of anti-Communism. He leads you on vast "Crusades." He stirs your enthusiasm much more skillfully than we can. THE TROUBLE IS, HE NEVER REALLY LEADS YOU TO ANY POINTED AND REALLY EFFECTIVE ACTION. His job is only to keep you busy and out of mischief. The Invisible Government knows that there are millions of patriots who would like to see the U.S.A. become a strong, proud, and patriotic nation again. This is no part of their plan, so YOU must be "channelized." To prevent the rise of real patriots, PHONEY patriots are shoved forward to do the work of the Invisible Government. These phoney "patriots" talk endlessly of a vast "Conspiracy" which, they imply, springs mysteriously from the "lower depths" of society, from among "the poor." THIS LIE IS THE INFALLIBLE MARK OF THE RIGHT WING TRAITOR. The fact is that Marxism is only ONE tool of the Conspiracy of Evil which holds us in thrall. The Conspiracy has many other evil tools which you will find out about as time goes along. MARXISM IS, AND ALWAYS HAS BEEN, A TOOL OF SUPER-CAPITALISTS INTENT UPON WORLD RULE. The man who lies about this, who talks of Marxism as a "proletarian" movement, is invariably either a fool or a scoundrel. The Russian and Chinese Revolu-

tions were made in America, and by the rich men of America. Their lying mass media said that these movements arose out of the "discontent of the poor and oppressed," but this is an utter lie, made entirely of whole cloth and nothing else. The evidence has been on the record for many years.

The Overman Report, made by a Committee of the United States Congress, established beyond shadow of doubt that the October Revolution in Russia was promoted by New York financial interests. The Communist Party is a party of the rich, not a party of the poor; but the Communist Party is only ONE of the parties controlled by the Invisible Government today. The Invisible Government controls ALL of the political parties, controls them utterly, controls them ruthlessly, controls them completely.

The last presidential election which the

of Hitler in Germany further thwarted the plan. Today the plans of the Conspiracy are DECADES behind schedule. Their failure to fix the U.S. Presidential Election of 1920 was a major factor in their failure. They have not made many such failures. They have manufactured the opinions of both the "Right" and the "Left" for fifty years. They have controlled all sides of all controversies. The few independent voices which try to be heard are drowned out by the vast chorus of phonies.

Fifty years of Invisible Government have made us a doomed and defeated nation. The Conspiracy thinks that it is going to rule the whole world by sheer intellectual power, or, in other words, by clever and highly-organized charlatantry. This charlatantry is called "behavioural science" by the corrupted academic minds of our kind, those utter nihilists

Abe Fortas ☆ Supreme Court Justice, notorious Marxist, wrote to convicted Soviet spy Harry Dexter White: "I am delighted the President nominated you to be Asst. Sec. of Treasury . . ." Sidney Weinberg ☆ head of Invisible Government, replaced Baruch. Referring to Korean War role, stated:

Conspiracy failed to fix was the election of 1920. Cox and Roosevelt were supposed to be elected, but Harding was elected instead. It cannot be said that we elected an especially distinguished man that year. We elected a meathead, but we elected a meathead who was against the Conspiracy. This fouled up the whole plan which the Conspiracy had laid for the 1920's, and delayed their plans for many years. The Conspiracy planned to deliver all of Europe to Communism in the 1920's. This was to have been done by having the Red Army invade Europe, which then was prostrate from the First World War. The United States was to be brought into the League of Nations and harnessed to the project. The Red Army at that time was under the command of Leon Trotsky. Trotsky was not a Russian. He was a Jew from New York, a former employe of the New York Times. He was also a tool of the Conspiracy, a tool of the New York financial interests, who are the real masters of World Communism. Trotsky advocated a "super revolutionary" philosophy and wanted to "expend" Russia in a massive invasion of Western Europe, which would spread Communism all the way to the Atlantic shores of France. The classic battle between Stalin and Trotsky was over this issue. Stalin did not believe in "expending" Russia for any purpose, least of all this one. Harding thwarted the plan in America by opposing the League of Nations. The rise

who have abandoned living culture in favor of dead intellectual mechanism; those utter academic prostitutes who have sold out the cultural life of mankind to the Invisible Government. These people say, "Technology has advanced to the point where The Fit can control The Unfit." In this picture, WHO are "The Fit" and who are "The Unfit"? YOU, sucker, are considered to be "Unfit" because you are naive enough to believe, in good faith, in such fraudulent intellectual gambits as "Right-Left Polarity." The braying jackasses of the Right Wing are paraded before you and bray their fraudulent and traitorous song; then the braying jackasses of the Left are paraded and do likewise. It never occurs THAT ALL OF THESE BRAYING JACKASSES EAT OUT OF THE SAME FEED TROUGH.

Into this dim cesspool of unreality, some unwelcome rays of the harsh light of reality are beginning to shine. The fact is that ideology is no longer a really important factor in world history today. The Conspiracy depends upon ideology absolutely; it controls ideology absolutely. But ideology no longer controls the world, and the efforts of the Conspiracy to control the world through ideology will fail.

What Force Really Controls The World Today?

The world today is being controlled by the DYNAMICS OF ARMED FORCE. This is nothing new. The world has been controlled by the dynamics of armed force for six thousand years of recorded history. We have not the space to discuss this subject in detail here. If you want to know about it, we recommend Clausewitz's "Vom Krieg" as the best available discussion of the subject. Today the Invisible Government spreads the propaganda of "peace." It says that it is going to change the realities of six thousand years of human history; no longer will the world be

INVISIBLE GOVERNMENT QUITE VISIBLE

By A. CHRISTIAN

How did America get into the shape it's in today?

Why is our morality in the hands of the immoral?

Why is peace in the hands of men of violence?

Why is mercy in the hands of the ruthless?

Why are the motion pictures, the radio, the TV, the entire publication and mass media world, in the hands of the coarse and crude?

How does it happen that the Christian civilization of only two generations ago has been torn out of the hands of its leaders, and replaced by a way of life based on a revolting lack of idealism and a philosophy of "Is there a buck in it for me?" and "I'm getting mine."

This tragedy is not too difficult to understand.

A couple hundred years before Columbus discovered America, Genghis Khan drove hordes of uncivilized savages westward across the plains of Siberia into what later became Russian Poland. Time marched on a couple hundred years more, and the cream of west European Christian civilization moved into America and set up the United States of America, based on a Declaration of Independence and a Constitution, unparalleled in history. For several generations the descendants of this west European stock with its Christian foundation sparked and controlled the United States.

Then the descendants of the untutored savages from the Steppes of Russia, pushed westward by Genghis Khan, began moving into America. Slowly at first, then in increasing numbers, they brought with them a ruthless, brutal, materialistic, coarse and vulgar attitude toward life that challenged, weakened, and finally overcame the forces of Christian civilization that had built the most exalted nation the world had known.

The tragic result today is that from the tops of today's skyscrapers the Sarnoffs, the Paleys, the Sulzbergers and the rest of their ilk rule America through iron-clad control of the mass media, the press, the radio, the TV, the entertainment and publishing world.

It is almost illegal to mention the name of Christ in this crass, coarse world of sex and money.

Advertisements scream of how "Bonnie and Clyde" kill people, how her "sexellency" Sally Rand fights for the amusement headlines. The Name of Christ and the Cross of Christ are profaned openly in such motion pictures as "THE GRADUATE." Faith in God is scoffed at and God is proclaimed dead; the sacred relationship between a man, his wife, and their children is considered "medieval."

The coarse and ruthless nomads of the Steppes of Russia control America today. Their brutishness is now the brutishness of the American ruling class. The Genghis Kahn sex standards are now the sex standards of New York. Through the overwhelming power of TV and the printed word, the last strongholds of Christian America fight a losing battle.

Out of this nightmare of horror, the sound of "Onward Christian Soldiers" will some time soon be heard again. Right now, that day seems a long way off, but Christians know that theirs is the final victory.

In the meantime, the children of the Steppes of Russia rule America with all the crudity and coarseness of their fathers who fled Genghis Khan. Their evil hands and hearts touch and despoil everything in America today. But rebellion against this ghastly, evil flood is certain to come. The forces of Christian civilization are certain to recapture what they have "loved long since, and lost awhile."

Invisible Government Ruined USA

(Continued from Page 3, Column 3)

governed by force of arms. It is the Jewish intellect which is to rule in the future. THIS PEACE PROPAGANDA IS THE BIGGEST LIE EVER TOLD. This smiling, cheerful voice promising "peace" is the anti-Christ, the

harbinger of doom, the vultures gathering in anticipation of World War III. This is the force which seeks the final extermination of the human race, which would make planet Earth an uninhabited planet, spinning dead around the Sun. Ernst Juenger says in his book "The Peace:" "This is the prospect which nihilism has to offer, the great triumph of death after which it yearns." The aim of nihilism, which is Satanic in its concept but which masks itself in pleasant lies, is to DESTROY ALL LIFE.

This is the real issue of our times: SHALL THE HUMAN RACE CONTINUE OR NOT? This issue will be decided IN BATTLE, and not in some other way. It will be decided by warriors, not by peace quacks. It will be decided, not by mediocre Right Wing political hacks who are concerned only about their bank accounts, but by those with the high courage and inspiration to light the hope of Humankind and storm and destroy the fortresses of Hellhood from which the evils of our times arise. The liquidation of the anti-Christ of our times will be a business for fighters.

The Conspiracy which aims to rule us by Invisible Government will fail on a point of military techniques. It is not competent to command Armed Forces, including its own. It depends primarily upon intellectual fraud rather than armed force to promulgate its rule in the world. Its basic military concepts are defective and unreal. In a specific way, the establishment in New York will fail to control the Soviet Armed Forces. Let us examine the consequences of this failure from the standpoint of military techniques. Here, we are taking no consideration of Marxism. WE ARE CONSIDERING ONLY THE PRIMACY OF ARMED FORCE. The Red Army, at one time, was commanded from New York. The financial interests which backed the Russian Revolution picked Leon Trotsky up from the gutter, where he really belonged, and made him commander-in-chief of the Red Army. They did this solely for the purpose of having control of him: IN OTHER WORDS, SO THAT COMMAND OF THE RED ARMY IN RUSSIA COULD BE EXERCISED FROM NEW YORK.

Let us cut this discussion short and get quickly to the real essence of the matter.

Let Us Consider These Factors:

1—The real headquarters of Communism are in New York. This is contrary to popular propaganda promoted in the mass media, but it's so well established by competent evidence that we believe it requires little further discussion. NOW, WE PROPOUND THIS QUESTION: "Can the Jews of New York maintain their command over the distant Soviet Armed Forces?" Mind you, the life of the United States may hang on this question. If the Jews lose control of the Soviet Armed Forces, then these forces may attack the United States. This would be a kind of "mutiny" by the Communist forces in Russia against the headquarters of Communism in New York.

2—Would YOU like to be the Jew, sitting in New York in a \$600 armchair behind a \$3000 desk, trying to exercise command over Soviet marshals in Russia? Remember, the Soviet marshals are of a different race; moreover, they are people with a strong anti-Semitic history, and you are a Jew. Is this a sound command proposition? CAN THE JEWS REALLY DO IT? They are betting the life of YOUR COUNTRY that they can do it. WHAT DO YOU THINK?

I will tell you what I think. I think the Jews will FAIL, and that New York will be blown over the moon with 100 - megaton bombs. That is, unless the American people come to their senses and put a real national-patriotic government into power in this country, a government which will arrange our national defense on a really sound basis.

That is what I think. I do not claim to be infallible. We especially invite the comments of military officers on this matter. Your letters to us will be held in strict confidence. We really and eagerly want your opinions. Your professional opinions will have an important bearing on our future editorial policies.

We are not interested in Right-Left pseudo-

controversy. We want to see America face reality. You will either face the realities of these times, or else you will be, as the judges say when pronouncing a death sentence, DEAD, DEAD, DEAD!

Does White Race Deserve to Die?

(Continued from Page 2, Column 3)

Vietnam, when by Repatriation or planned colonization in Africa by the government the surplus black population could be helped to find an outlet for their abilities and energies in Africa, and thereby relieve the racial pressure which is more economic really."

On June 13, Page E 5375 the Congressional Record carried an insertion by Representative Gene Snyder of an article appearing in the March 9, 1968 issue of the Valley News of West Lebanon, New Hampshire, entitled: "BACK TO AFRICA Movement Seen as Answer to Racial Problems". It told the story of black Americans, A. B. Baker and James Hemphill, officers of the PEACE MOVEMENT OF ETHIOPIA who toured N.H. AT THEIR OWN EXPENSE with me, pleading their cause. In the interview Mr. Baker said:

"If we can go back to Africa we can have everything that negroes are striving for in this country. If we don't have this I'll lose my heritage and you'll lose yours. I'm proud of my black skin and I don't want to see a mongrel race." How about YOU Mr. white man? Are you proud of YOUR white face and heritage? Mr. Baker, appearing with me in radio broadcasts also stated, "Mr. Smith is our friend. He is helping us and we are helping him. I do NOT call him BROTHER."

Political candidates for President have been schooled to believe "The black man is the white man's burden" and that we must coddle him from cradle to grave to atone for our "sins." Were this so, our only obligation is to help return him to his native land. No HONEST attempt by the politicians of ANY party have been made to find out what the black man REALLY wants. Leaders of both political parties share the contemptible belief that ANYTHING including the black man's votes can be bought for money. But the black man is PROUD and wants NO part of their "coddling." He does want understanding.

Whither to Now?

The battle for FREEDOM of both black and white, and Separate, but equal status, has been joined. A new bill has been introduced and offered by the PEACE MOVEMENT OF ETHIOPIA. This envisages a gentler approach and asks Congress to appropriate a very small sum so that Repatriationists may prepare their case and submit it to them on Jan. 9, 1969 for ACTION. This bill has gone to EVERY Congressman seeking reelection.

The question still remains, "Does the White Race Deserve to Die?" and the answer is still "yes" until there appears on the battle lines enough white people who believe as strongly in racial integrity and racial fulfillment to fight with the ardor, tenacity and perseverance of the black man.
